

## ANNOUNCEMENT OF AMENDMENT TO THE RULES

Natural Science Museum of Barcelona Consortium

### *ANNOUNCEMENT*

The General Council of the Natural Science Museum of Barcelona Consortium, meeting on 21st October 2021, approved the following amendments to the rules governing the selection process to fill the position of Director of the Natural Science Museum of Barcelona Consortium, as senior management staff.

Point 2 of section 4, **“Submitting applications”**:

4.2. The deadline for submitting applications is 14th January 2022.

Point 5, **“List of people admitted and rejected”**:

Once the deadline for applications has passed, the Human Resources Department of the Natural Science Museum of Barcelona Consortium will publish the provisional list of people admitted and rejected.

Point 2 of section 6, **“Assessment of merits and selection process”**, **add as paragraphs 4 and 5**:

The president of the Delegate Commission will appoint the members of the Commission of Experts after consulting the two authorities in the Consortium.

The membership of the Commission will be published on the Museum website within a maximum of one month following publication of the rules in the Catalan official journal (DOGC).

The rules governing this selection process have been published in full on the website [www.museudeciencies.cat](http://www.museudeciencies.cat).

This documentation must be submitted in either of the official languages (Catalan or Spanish) at the email address [rhcmbnb@bcn.cat](mailto:rhcmbnb@bcn.cat). Every application will be given a record of receipt of which the applicant will be informed and which will identify them throughout this process. The submission period lasts twenty days, counting from the day after publication of this announcement in the Catalan official journal (DOGC).
